Maids are simple some men say

- 2. Truth a rare flower now is growne, Few men weare it in their hearts; Lovers are more easily knowne By their follies, then deserts.
- **3.** Safer may we credit give To a faithlesse wandring Jew, Then a young mans vowes beleeve, When he sweares his love is true.
- 4. Love they make a poore blinde child, But let none trust such as hee; Rather then to be beguil'd Ever let me simple be.
